

# As of March 13<sup>th</sup>, 2024, Visiting restriction will be loosened

## ◆ Visiting condition:

- Monday to Friday (Excluding Saturday, Sunday, and holidays)
- Visiting hours : From 14:30 to 16:00
- Within 15 minutes each time
- Number of visitors: 2 people (16 years or older)
- Visit frequency: twice a week

No reservations required

**Important requests to all visitors.**

When you arrive the hospital, first, please fill out a visiting form at the reception desk located to the left of the main entrance. Once finished, we will guide you to the ward.

Please confirm the patient's full name and admission ward before coming to the hospital. If unknown, you will not be able to meet with the patient.

wear mask

Sanitize your hands

No eating or drinking

※ Visitors with symptoms such as fever (37°C or higher), vomiting, diarrhea, or those who have been infected coronavirus or influenza within the past week are not allowed to visit.

**\* We plan to reduce online visitations in the future.  
Thank you for your understanding and cooperation**
